

Fraternity Exemption Request

Fall 2024 & Spring 2025

One exemption to the 2-Year Residency Policy is for a limited number of second-year fraternity members to live in their fraternity house. The fraternity member applying for the exemption, as well as the Fraternity chapter must meet the following criteria.

Fraternity chapter requirements

- The average cumulative grade point average for the chapter is 2.5 or above
- The chapter is in good conduct standing with the University and their (inter)national organization, meaning they are not on conduct probation
- The fraternity is in good standing with the UWRF Interfraternity Council (IFC), according to IFC bylaws
- All residents of the fraternity house are active members of the chapter
- The chapter has adopted and is adhering to the Greek Life Alcohol Policy
- The chapter has participated in risk management training
- The chapter has held at least two recruitment or other campus engagement events during the academic year
- The chapter has provided a house roster each semester to Student Involvement

Fraternity member requirements

- The student is a second-year student, based on their high school graduation date
- The student has a 2.5 cumulative GPA
- The student is not on University or residence hall probation for conduct-related violations

Criteria for fraternity chapters and fraternity members will be confirmed during the summer prior to the fall semester in which the exemption is requested.

Deadline: The completed form is due to the Residence Life by May 1, 2025
