The Financial Aid Office attempts to meet your total academic year educational costs with available aid programs. From time to time, students may incur costs beyond the standard budget. Your budget may be adjusted to include other allowable costs incurred to meet your educational needs. The request for a budget adjustment from educational expenses is reviewed on a case-by-case basis. Documentation of the additional expense is required and must be attached to this form. **Please note that an adjustment to your budget does not mean an increase to your financial aid and additional aid that may be available will be in the form of loans.** If additional documentation or clarification is needed during review, you will be contacted by a financial aid counselor.

The College of Arts and Sciences strongly recommends that students majoring in Art (Photography or Graphic Design), Music or Stage and Screen Arts obtain a computer which supports Adobe Creative Suite. These computers are graphics-intensive and are typically more expensive than standard computers.

**To qualify for this additional computer expense, you must be a declared major or minor in Art (Photography or Graphic Design specialty only), Music or Stage and Screen Arts.**

- Computer Expense:** Attach a receipt, purchase order, or online quote to demonstrate your intent to purchase a computer. Computer expenses allowed for school use include a CPU, monitor, keyboard, laptop, tablet, printer, and relevant software. The maximum increase allowed for computer expenses is \$3,000.  
\*\* You may receive an adjustment for the cost for a computer purchased for educational purposes only once during your College career.

- Annual Software License:** Attach a receipt, purchase order, or online quote to demonstrate your intent to required software license(s). You may receive an adjustment for the cost of a software license once per year.

Items checked above and the requests I have made are accurate regarding my academic year expenses.  
I have provided receipts and other appropriate documentation as proof of the information I have given.
