

Chalmer Davee Library Noise Policy

The Chalmer Davee Library provides an environment that is comfortable, inviting, and conducive to study. To accommodate the preferences of a variety of users while providing a wide range of services, the library adheres to the following noise policy:

- Normal conversational noise levels are allowed on the main floor of the library.
- The upper level is a designated quiet area and users are expected to maintain a quiet environment.
- Individuals who do not adhere to Library policies and guidelines may be asked to leave the area and/or reported to University Police.
- When public events are scheduled in the library, staff will post signs.

Disclaimer: In order to conduct work and maintain services, staff may make noise.
