

Pre-Professional Emphasis in Nutrition

The major emphasis provides 1) a list of typical prerequisite undergraduate courses required to apply to graduate school OR 2) undergraduate courses that will be highly beneficial to prepare for graduate school. The course array can be tailored to fit the needs of specific graduate programs or student preferences. To add or remove a class, students should work with their academic adviser.

DEPT	COURSE #	COURSE TITLE	CREDITS
CHEM	111/116	General Chemistry I w/Lab	5
CHEM	112/117	General Chemistry II w/Lab	5
CHEM	231/236	Organic Chemistry I w/Lab	4
CHEM	360	Foundations of Biochemistry	4
		TOTAL CREDITS	18
