

Pre-Professional Emphasis in Occupational Therapy

The major emphasis provides 1) a list of typical prerequisite undergraduate courses required to apply to graduate school OR 2) undergraduate courses that will be highly beneficial to prepare for graduate school. The course array can be tailored to fit the needs of specific graduate programs or student preferences. To add or remove a class, students should work with their academic adviser.

DEPT	COURSE #	COURSE TITLE	CREDITS
BIOL	243	Intro to Biological Greek and Latin	2
BIOL	341	Anatomy and Physiology 1	4
BIOL	342	Anatomy and Physiology 2	4
