

CETL Optional Mid-Semester Student Evaluation (could use with quizzing tool to create an anonymous survey in Canvas)

Please take about five minutes to respond to each of the following questions **about our class so far**. I will share information about the types of responses I receive once the evaluation deadline has passed.

Thank you so much for your feedback and assistance with this.

1. At what moment in the class thus far have you feel most engaged with what was happening?
2. At what moment in the class thus far did you feel most distanced from what was happening?
3. What have I done, as your professor, that has helped your learning so far?
4. What have you done, as a student, that has helped your learning so far?
5. What could I do, as your professor, to improve your learning?
6. What could you do, as a student, to improve your own learning?
7. Finally, is there anything going on that you feel I, as your instructor, should know?
