Your Spring Semester Room & Roommate

- **Residence Life will randomly assign you** to a room with a roommate of similar age and year in school. In early January an email will be sent to you with your hall, room, roommate and move in information.
- **If you have a preferred roommate and/or halls**, you may email reslife@uwrf.edu to indicate those preferences - there is no guarantee that empty beds will be available in your preferred halls. If you have a preferred roommate, your roommate should send an email to request each other.
- **Once you are assigned to a room with a roommate**: that information will also be emailed to your UWRFLife email account (in early January for Spring semester incoming students).
- **Subject to Change**: Please know that your assigned room and roommate may change before you arrive to campus. It is your responsibility to check back to this page frequently to review your room and roommate information.
