

## 2025-26 South Fork Suites (SFS) Same Gender Roommate Search

South Fork Roommate Search (Same Gender) is for students who want to live in South Fork Suites (SFS) with other students of their same legal birth gender and are seeking to create a group of mutually accepted suitemates who are also eligible for SFS.

**Priority Groups: Groups of 4, then 2 will be given priority in the lottery.** If empty suites are available after awarding all groups of 4, then there will be a lottery for groups of 2. Groups of 3, or one person, will only be entered into the lottery if space is still available after assigning all groups of 4 and 2.

**Lottery and Group Deadline: On Tuesday, February 11, Noon** the SFS Lottery and South Fork Roommate Search will end and be turned off in the Portal. All invitations to groups must be accepted by group members by this deadline.

**Only students who are eligible for SFS** can use the South Fork Roommate Search feature in the Portal. Eligible students either graduated high school in 2023 or earlier, or are 21+ years old starting Fall 2025.

**To view the SFS Lottery feature,** all suitemates must first turn on the South Fork Lottery page here:
