715-425-4275

A written individual exam will be true-false, multiple choice, and short answer questions covering a broad group of topics in farm management. The exam tests the knowledge of students at the high school level. Any ties will be broken with a short essay question.

Questions will be selected from the following areas:

- A. Farm production functions.
- B. Supply and Demand
- C. Financial statements and measures
- D. Enterprise budgets
- E. Farm organizations
- F. Risk
- G. Taxes
