

2026-27 South Fork Suites (SFS) Mixed Gender Roommate Search

South Fork Roommate Search (Mixed Gender) is for students who want to live in South Fork Suites (SFS) with a group of students regardless of legal sex at birth and are seeking to create a group of mutually accepted suitemates who are also eligible for SFS and are seeking a mixed gender group of suitemates.

GROUPS OF 4 REQUIRED: All mixed-gender groups must be groups of 4 accepted suitemates. Groups less than 4 **will not** be entered into the lottery.

Lottery & Group Deadline: On **Tuesday, February 10, Noon** the SFS Lottery and South Fork Roommate Search will end and be turned off in the Portal. All invitations to groups must be accepted by group members by this deadline.

Only students who are eligible for SFS can use South Fork Roommate Search in the Portal. Eligible students either graduated high school in 2024 or earlier, or are 21+ years old starting Fall 2026.

To view the SFS Lottery feature, all suitemates must first turn on the South Fork Lottery page here:

The screenshot shows a multi-step navigation bar at the top with the following items: «, ant, Community Preferences, Your Roommate Search Profile, Add Yourself to Roommate Search, STEP 3 (Start), Add Housing Options (highlighted with a red box), South Fork Lottery (indicated by a red arrow), Roommate Search, and Contract Status. Below the navigation bar is a progress indicator with seven circles; the fifth circle, corresponding to 'Add Housing Options', is highlighted with a red box. The main heading is 'Add Housing Options'. A grey box contains the text: 'Checking an option below will make the page viewable on the navigation bar above.' The section title is 'South Fork Suites Lottery (Closes Tuesday, Feb 10, Noon)'. The text below reads: 'Only for students who graduated high school in 2024 or earlier, or are 21+ years old. Suites in this hall include four private bedrooms, a living room, a dining area/kitchenette, and a bathroom. There is a higher cost to live here. Lottery full details available on the [Room Selection web page](#).' The 'Group Leader' section asks to 'Choose a group leader who will:' followed by two numbered instructions: '1. Invite group members to be part of the group' and '2. If the group wins the lottery, the Group Leader will log in and assign all group members to their rooms'. A checkbox labeled 'View South Fork Suites Lottery page' is checked. A red callout box with the text 'Turn on "South Fork Lottery" page' has two arrows: one pointing to the checked checkbox and another pointing to a blue 'SAVE & CONTINUE' button at the bottom left.

You MUST read and agree to the agreement to view the Mixed Gender Roommate Search page

Choose a “Group Leader”:

To create a group of 4 roommates for South Fork Suites, only one suitemate is chosen as the “Group Leader.”

The Group Leader will:

1. **Invite all suitemates** to the roommate group, and those suitemates must log into the Housing Portal and accept the invitation before they are officially added to the group. Suitemates added to a group should not request or accept other roommate requests outside of their group.
2. **On the day of room selection**, the Group Leader will log into the Portal to select a suite, then they will place all group members into beds within the suite.

Group Leader Roommate Search Steps: On the South Fork Roommate Search page, the Group Leader will search for and request all roommates using one of the 3 search links shown here.

Students invited to the group must log in and accept the invitation BEFORE the lottery deadline

Once your group of 4 suitemates is complete:

You and your requested suitemates should remove yourselves from Roommate Search to no longer receive roommate requests from other students . This is done by unchecking the box here:

The screenshot shows a multi-step process bar at the top. The steps are: Special Dietary Needs, STEP 2 (Start), Community Preferences, Your Roommate Search Profile, Add Yourself to Roommate Search (highlighted with a red box), STEP 3 (Start), Add Housing Options, South Fork Lottery, and South Fork Mixed-Gender Suite Agreement. Below the bar is a progress indicator with checkmarks in circles. The fifth step, 'Add Yourself to Roommate Search', has a blue circle with a white checkmark, while the others have grey circles with white checkmarks.

Add Yourself to Roommate Search

By adding your profile to Roommate Search on this page, other students who are searching for a roommate can:

- find your profile based on similarities in preferences
- view your personal description added to this page
- email your UWRF email address so that you may become better acquainted
- request you as a roommate

Check to allow others to find you in Roommate Search

☐

(500 character limit) Enter a description of yourself for potential roommates to see. This is a good place to express what you expect from a roommate experience
