

Retrieving Completed Exams in DRC Connect

Instructors are given the opportunity to select how they receive their completed exams in their individual class Alternative Testing Contracts submitting in DRC Connect. **The DRC follows this preference unless otherwise specified by the instructor.** The DRC copies ALL exams (with an exception of standardized tests and booklet exams) for peace of mind in case things are lost in the mail or other barriers.

1. Log into DRC Connect on the [FACULTY AND STAFF INFORMATION](#) page on the UWRF DRC Website

DRC Connect: Instructor Access

Each semester, this access will allow you to view which students have shared their FNL with you. This letter is emailed from the DRC, not from the student. Within DRC Connect, you'll be able to view student FNLs, not requiring you to find them in your emails.

Please note: a student is not eligible to request accommodations until they share their FNL by email. **No accommodation should be given until a student takes that action.** Accommodations are not retroactive. It's best practice to wait for a student to make an outward request for an accommodation, rather than assume a request will be made. A student may contact an instructor by email or in person. How a student uses their accommodations in each class can be unpredictable and inconsistent. Students should make their requests in a respectful, timely manner.

2. Once you've logged in, click "Continue to View Accommodations" to get to your overview page.

 **ACCESS POLICY**

Please read the following prior to completing the form:

By clicking on the following button, I acknowledge that I have received and understand the school's FERPA policy as it pertains to student records.

FERPA (Confidentiality Statement)

Along with the right to access the records of students, comes the responsibility to maintain the rights of students, particularly as outlined in the Family Educational Rights and Privacy Act (FERPA). Student Records are open to members of the faculty and staff who have a legitimate need to know their contents; however, you do have a responsibility to maintain confidentiality.
