

STUDENT ORG GRAPHICS PROCESS

Did you know that we have a full-time graphic artist **FREE** of charge for all student organizations? We would love to assist you with your graphic needs. Social media assets, logos, t-shirts, event posters, and more. We are here to help promote your organization, so let's start creating!

HOW DO I START?

Chat through your concept by emailing us at studentorggraphics@uwrf.edu to set up a meeting time.

PHASE 1: MEET

When we meet, we will:

- Discuss the types of graphics/media you are looking to create
- Review any ideas/inspiration (screen shots, font styles, color schemes, vibes, Pinterest boards, etc.). The more examples you provide, the better we can match your vision

PHASE 2: DESIGN

After our initial meeting, our team will start designing! We will send you a design proof for you to review. If you have any edits, let us know via email OR we can set up another meeting time to chat through any changes.

PHASE 3: FINALIZATION

Once you've approved the design, we will send you all the files you need for both digital and printing, as well as assist with any further steps. We can't wait to help you make your vision come to life!
